

Celebrating Globalization Meal – Social 10

Your job is to prepare a dish of food that does one or more of the following things:

- a. represents your culture
- b. is a recipe that has been passed down for several generations
- c. is a recipe that is a favorite in your family
- d. represents something about your heritage

You will bring this dish to class, *for the last class*, and as a class we will share a potluck style meal together. Along with your meal you must have the following information to share with the class:

- i. Where (country) this meal originates.
- ii. What ingredients are in the dish and where those ingredients originate.
- iii. Why this meal represents you, your family, your culture or your heritage
- iv. Why you choose this as your dish to bring to class
- v. How it represents globalization

Please make sure you bring something, as it is much more enjoyable when a lot of people participate. Also be prepared to try everything ☺
