60  **Travel . . .**

- [Florence](#)
- [Milan](#)

61  **Additional Issues:**

- Approximately \$30-50 CAD (22-36€) per day.
 - MONEY for lunches is needed - calculate for 20% more than what you might spend here so that you can get enough to eat - it is more expensive there - even fast food. A Big Mac meal in Europe is @ 5-6€ (@ \$9-12 CAD).
 - PACK what you think you want to take in one suitcase and one carry - on - then carry both pieces up and down a long flight of stairs for 15 minutes non-stop; if this is too much to carry, eliminate what you really don't need !
